

Have A Safe
Halloween!

American Legion Auxiliary
Coloring Book

Wear a costume, facepaint,
or mask.

Only trick-or-treat at homes
with porch lights on.

Always carry a flashlight or glowstick,
and use reflective tape or stickers
on your costume and bags.

Always remember to look both ways
before crossing the street.

Take a parent along
when you're little.

Wait until you get home to taste your treats, with first having a parent look them over.

Additional Safety Tips for Parents:

- Review all rules with children before trick-or-treating.
- Make sure children know their phone number and address.
- Teach children how to dial 911 and how to talk to the dispatcher.
- Costumes should fit properly so children aren't in danger of tripping or falling.
- Put electronic devices away to better watch your children's safety.
- Teach your children to always use sidewalks and crosswalks.
- Walk — don't run — while trick-or-treating.
- Trick-or-treat only during your town's designated hours.
