Gift Shop 2024  
Most important thing units  
need to do is make a  
**DONATION** of money.

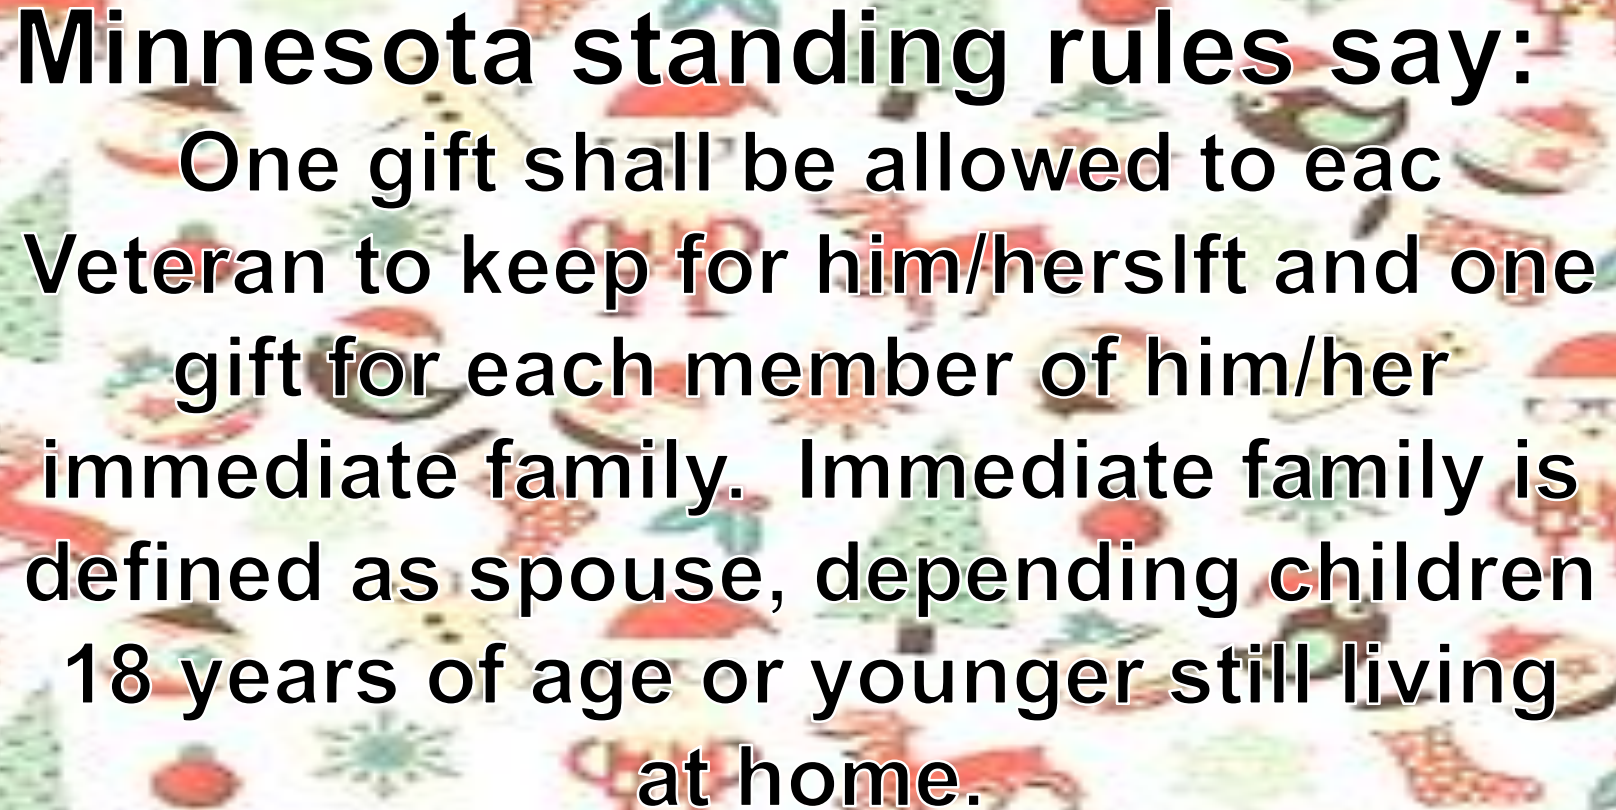

**What kind of Gift Shops  
we hold:**

- 1. Traditional**
- 2. Gift Card**
- 3. Money into an account for  
each Veteran**

Some of the most popular items:  
candy, flannel shirts, socks,  
sweatpants, pajamas, gloves, hats,  
blankets, lotions, watches, wallets,  
games, shaving kits, much more.

**BEST** part is working with the  
**Veterans** to pick out gifts and  
wrapping them.

**Minnesota standing rules say:**  
One gift shall be allowed to each Veteran to keep for him/herself and one gift for each member of his/her immediate family. Immediate family is defined as spouse, dependent children 18 years of age or younger still living at home.

**Three new homes  
average about 30  
Veterans this year.  
Bemidji, Montevideo &  
Preston.**

**What we need from the  
Legion Family.**

**Donations of money to make this  
year special for our Veterans.**

**Thank you**

**We had to stop and  
make sure the candy  
was good, we want  
the best for our  
Veterans!**
